

CURRICULA VITAE:

PERSONAL INFORMATION:

Surname : Dalimi Asl

First Name : Abdolhossein

Date of Birth : 1957

Nationality : Iranian

Languages : Persian, Arabic, English

Mailling Address :

Razi Vaccine Research Institute, P.O.Box: 31975/148, Karaj. I.R.Iran or
Parasitology Dept., Medical Sciences Faculty, Tarbiat Modares University,
P.O.Box: 14115-111, Tehran, I.R.Iran

Tel: +98 21 33119708 or +98 9121645706

Fax: +98 261 4554658 or +98 21 8013030

E.mail: dalimi_a@modares.ac.ir

dalimi4@yahoo.com

Educational Records:

D.V.M. Shiraz University (I.R.Iran) 1975-1984

Ph.D in Medical
Parasitology Tehran Medical Sciences University 1986-1989

Academic Experiences:

Instructor Parasitology Dept., Vet.
Faculty, Shiraz University 1984-1985

Assistant Professor Parasitology Dept.,
Medical Sciences Faculty
Tarbiat Modares University (TMU) 1989-1995

Associate Professor “ “ “ “ 1995- 2001

Professor " " " " 2002- Present

Head of Parasitology Dept. “ “ “ 1991- 2003

Vice Dean for Research (Medical Sciences Faculty of TMU) 1990-1991

Vice Dean for Education (Medical Sciences Faculty of TMU) 1991-1993

Chief Deputy for Research and Education (Razi Vaccine Research Institute)	1993-1998
Director General of Razi Vaccine Research Institute	2005- Present

Teaching experience:

I have been engaged in teaching the following subjects in medical faculty:

- 1- Medical Parasitology for M.Sc course
- 2- Advances in Parasitology for M.Sc and Ph.D courses
- 3- Physiology of parasites for Ph.D course

Membership:

- 1- Member of Iranian Veterinary Society.
- 2- Member of council of Iranian Parasitology Society.
- 3- Member of Parasitology Board of Ministry of Health
- 4- Member of National Parasitology Board examiner
- 5- Member of editorial board of three Iranian scientific journals

Honors and Awards:

- 1-Distinguished Researcher of Ministry of Agriculture in 1985
- 2-Distinguished Professor of Tarbiat Modares University in 2000
- 3-Distinguished National Professor in 2003: selected by Ministry of Sciences, Research and Technology
- 4-Sabatical leave in Murdoch University in Australia in 2001 for 6 months.

Research experience:

A- Research Projects:

Supervisor of 12 research projects
Advisor of 22 research projects

B - Supervisor of Msc and PhD Theses:

Totally 60 theses

42 MsC theses
12 PhD theses
4 DVM theses
2 DLM theses

Publications

A) Articles

- 1 -**Dalimi A.** and Mobedi I. (1992): Helminth parasites of carnivores in the

northern parts of Iran. *Annals of Tropical Medicine and Parasitology* 88(4):395-97.

2 -Rezaian M. ; Shahmoradi A. and **Dalimi A.** (1993): Cryptosporidium in sheep as a source for human infection. *Medical Journal of the Islamic Republic of Iran*. 6(4): 273-274.

3 -Shahmoradi A.; Rezaian M.and **Dalimi A.**(1993): Sheep an important reservoir of human Toxoplasmosis in Iran.*Medical Journal of the Islamic Republic of Iran*. 7(3):. 173-174.

4 -**Dalimi A.** and Khoshzaban F.(1993):Comparative study of two methods for the diagnosis of *Entrobium vermicularis* in appendix.*Journal of Helminthology* 67: 85-86.

5-**Dalimi A.** and Mobedi I. (1993): A study on helminth parasites of jackals in the northern parts of Iran.*Journal of Veterinary Faculty of Tehran University*, 48(1&2) :15-22.(In Persian)

6-**Dalimi A.** and Oryan A. (1993): Epidemiological study of *C.bovis* in Shiraz, Fars Meat production,south of Iran. *Journal of Veterinary Faculty of Tehran University*, 48(3&4): 9-17(In Persian).

7 -Arjomandzadeh Kh. and **Dalimi A.** (1994): Comparision of 12 techniques for detection of *Cryptosporidium* oocysts.*Archives De L'Institut Razi*, No 44/4 P. 31- 38.

8 -**Dalimi A.** and Eslami Z. (1994): Chemical composition of Hydatid cyst fluid of *Echinococcus granulosus*.*Archives De L'Institut Razi*, 44/45: 25-29.

9-**Dalimi A.**; Sadraei J. and Tabaei S.J.(1995): A study on three cestode species of subfamily Dipylidinae from stray cats of Tehran. *Journal of Veterinary Faculty of Tehran University*, Vol 50, (3&4): 89-96. (In Persian)

10 -**Dalimi A.** and Kazemi Moghadam Z. (1995): The efficacy of albendazole and mebendazole combination against *E.granulosus* (in vitro).*Archives De L' Institut Razi*, 46/47: 41-45.

11-Ardalan S. and **Dalimi A.** (1995): Comparative study of chromosomes and karyotype of *Hymenolepis nana* fraterna in mouse and rat.*Archives De L' Institut Razi*, No 46/47, P. 27-33.
